

AHSRA Apparel - Request for Proposal

The Alberta High School Rodeo Association is accepting bids for a three-year apparel contract starting August 1, 2024 ending July 31, 2027. The AHSRA currently has over 600 members in Junior High and High School, ranging from grades 5-12. The successful applicant will have exclusive access to the AHSRA logo and will be required to offer apparel to our members for purchase.

Requirements

You will be required to offer at minimum the following items to members:

- Jackets with AHSRA logo, contestants back number on the back and crests available to add later for those who make the finals.
- Vests with AHSRA logo, contestants back number on the back. We would like a range of options in costs along with pictures.
- Hoodies/Sweaters with AHSRA logo and contestant's number.

You will be responsible for handling all orders and shipping of merchandise to members. The AHSRA provincial secretary can provide contact information if needed.

You will be required to attend both the Junior High and High School Finals. It is also strongly recommended that you also attend at least one regular season rodeo per district, so members can try on apparel for size and place orders.

Please include in your proposal:

- Prices and items details
- Photos of items
- Size charts
- Order deadlines and quantity minimums (if applicable)
- Prices must include digitization of the new AHSRA logo
- Suggested items you would consider offering to members

Deadline for Submissions

Please submit all bids by February 15, 2024 to ahsraoffice@gmail.com or mail to Alberta High School Rodeo, Attn: Pam Golden, Box 4763, Barrhead, AB T7N 1A6.
