

AHSRA Board Chair Report

Thank you to everyone who joined our Board Meeting by Zoom on **Tuesday, August 13, 2024**.

Following is a summary of the [meeting minutes](#):

- At the May executive meeting, the board passed a motion to change Alberta policy so that all points for Cutting and RCH (allocated points and points earned at the finals) will be counted towards the all around, with the requirement that the contestant must be entered in at least one other rodeo event during the regular season, and must have earned at least one point in a rodeo event. However, according to the options that are available for these events, we have chosen the option that requires each district to hold at least 3 performances of cutting and reined cow horse. Because we choose that option, it also states that we cannot use season or allocated points toward the all around at our finals. A motion was made to rescind the previous motion. There will be no change to all around point calculations at the 2025 Finals.
- The board passed a motion to change the dates for the 2025 High School Finals one week later to June 4-8, 2025.
- Codi shared details about a group who is helping raise funds to support our Queen Emily Hopp with her travel expenses.
- Memberships are down significantly, the board considered some options for promoting high school rodeo. Codi will work with the student executive on ideas.

We are excited to begin a new season and wish everyone the best of luck this year. If you have any questions on these matters or any other, feel free to reach out to Denton or myself.

Yours Truly,
